Ashley HomeStores Hope to Dream™ program provides mattress sets and bedding to children in need.

# hope<sup>TM</sup> to dream

Ashley HomeStore's Hope™ program provides mattress sets and bedding to children in need. Since its inception in 2010, Hope to Dream has provided more than 50,000 children with mattresses of their very own.

With the support of our customers and community partners, we've provided mattress sets to children in need through a variety of programs and events, including:

- Universal Children's Day (2014), which provided beds for more than 1,000 children in Florida, Georgia, California, Illinois and Wisconsin.
- Dallas Cowboys Sleepover (2015), where 100 local children received new beds.
- Jacksonville Jaguars Sleepover (annually since 2013), which provides 100 local children with new beds every year.

**An estimated 30 to 50 percent of children don't receive a good night's sleep.**

**Together, we're making a difference.**  
Thanks to a good night's sleep in a bed of their own, children are:

- Concentrating and behaving better in school.
- Performing better in their extracurricular activities.
- Growing and developing at healthy rates.

**“Children are a vital part of a growing community. We believe by helping a child sleep well, they are poised to lead a healthier and more productive life.”**

— **Todd Wanek**  
President & CEO  
Ashley Furniture Industries, Inc.

**Sleep better knowing a child is sleeping better, too.**

Ashley HomeStore and Hope to Dream can only help a child get a good night's rest if a caring person refers a child in need. We provide beds to deserving children who are between the ages of 3 and 16.

To nominate a child, simply visit **[AshleyHomeStore.com/HopetoDream](http://AshleyHomeStore.com/HopetoDream)** or fill out and mail in the application form on the back of this brochure.

Completed applications will be reviewed by a selection committee. Recipients will be notified and given 30 days to respond. Unresponsive recipients will forfeit the mattress set and another applicant will be selected. Unselected applications will be kept for one year and will be reviewed for consideration at the next selection.
