

# Bill Relief Program

## Save Money on Your Utility Bill

The Evansville Water and Sewer Utility Bill Relief Program is designed to help individuals and households lighten the cost of their utility bill. Income-qualified customers who apply for the program will receive a \$3 monthly credit to save on their bill. That credit offsets the 2022 water rate increase and will be applied to their active account for 12 months. After one year, eligible customers may again have the opportunity to apply for the program.

## Who Qualifies?

Program funds will be allocated to customers based on combined annual household income. Customers with a household income of \$50,000 or less may qualify for assistance.

## When Does the Program Start?

The Bill Relief Program funding begins July 1, 2022 and is available for up to two years or while funds last. Customers may apply now at [ewsu.com/BillRelief](https://www.ewsu.com/BillRelief).
