Deaconess Memorial Medical Center - Registered Nurse (Jasper)

- As a Women & Infant Services RN, you'll play a vital role in guiding families through pregnancy, labor, delivery, recovery, and newborn care. From monitoring fetal well-being and supporting laboring patients to caring for newborns and educating families, you'll help create safe, positive experiences during one of the most meaningful moments in a family's life. This specialty combines advanced clinical skills with compassionate, family-centered care. Nurses develop expertise in fetal monitoring, labor progression, newborn assessment, and emergency obstetrical interventions while working alongside physicians and a multidisciplinary team dedicated to exceptional outcomes for mothers and babies.
